

A letter to old friends inviting them to join you in Sun City

## Spread the *Good News*

As a resident of Sun City, you would probably like to keep our "hidden gem" a secret. Pity those poor folks who are unaware of this Crown Jewel that awaits them when they finally decide to retire and live the "**good life**". Wouldn't it be great if they knew what you know?

With that thought in mind .... Why not let some of your former neighbors, friends, relatives or others know about Roseville's SUN CITY. **Come On!! .... "Spread the Good News"**.

There is a simple way to do this, with not too much effort on your part .... Just think of the role you can play in making others as happy as you are. **They'll be glad you did!!**

Simply fill in the attached page, put it in an envelope, address it, put a stamp on it and send it to that person you'd like to call **YOUR NEIGHBOR**.

# Welcome to Sun City Roseville

Dear \_\_\_\_\_

Just had to let you know how great life is at Sun City Roseville. WOW!! Am I enjoying it here and I wanted to let you know what awaits you when you decide to pull the plug and enjoy your **"golden years"** ... and there is no better place to do it than **SUN CITY ROSEVILLE!** The best way to convey the picture I want to paint for you is to tell you to turn on your computer and go to: [www.suncityroseville.org](http://www.suncityroseville.org). This is a super website and will tell the story about this hidden gem much better than all the "hying" I can put here in print. **Trust me – you'll enjoy the journey through our Garden of Eden.**

In addition to all the information you will find on our website, I want to fill you in on a few more tidbits that add icing to our cake at Sun City Roseville.

**1) Our golf course at Timber Creek was recently voted the Number One course in the Sacramento area. You have to see it and play it to believe it. (That is – if you're a golfer).**

**2) Our restaurant is noted as much for its staff and service as it is its excellent food. Our catering department hosts fantastic banquets and events in the Timber Creek Ballroom for those special occasions.**

**3) We have over 60 chartered clubs and resident groups. These clubs and groups are a source of fun as well as a dynamite way of meeting new people and establishing some lasting friendships. "What a way to live and enjoy the best years of your life".**

Why not keep this little note on the top of your **"where to retire pile"**. Then when you're ready, you don't have to fumble through a stack of paper, brochures, notes and so forth. Your choice has already filtered to the top – **no need to look any further!**

Stay healthy,
